Welcome back!

The City of St. Albert is now accepting bookings for its arenas. To ensure the safety of our patrons and staff, the City is following all Government of Alberta guidelines. This means that with our reopening, a number of safety modifications and procedures will be in place.

Please ensure all coaches, participants and spectators are aware of and follow the guidelines as there are some significant changes to ensure everyone's safety. Failure to follow guidelines could result in a loss of bookings.

Safety Guidelines:

- Facilities will promote physical distancing by indicating one-way traffic flow to avoid individuals from inadvertently interacting. Common areas must not be used to congregate.
- Practice sneeze/cough control and respiratory etiquette. Participants should refrain from spitting and clearing their nasal passages during activities.
- Access Servus Place arenas through the south doors. Saturday bookings need to use the west doors due to the Farmers' Market. When entering the facility go directly to the booked surface.
- Arrive at the facility no earlier than 30 minutes prior to your booked time. Go directly to the booked surface.
- Leave the facility no later than 15 minutes after your booked time.
- No more than 50 people in total can be on the ice or in the player boxes at the same time. This includes referees and coaches.
- Change rooms will be available; however, participants are encouraged to come dressed for their activity.
- Change rooms will be restricted to participants and coaches.
- Practice physical distancing in change rooms; capacities will be posted for each room.
- Showers will remain closed at this time.
- Please use garbage receptacles provided and clean up after your group.
- Officials rooms will remain closed at this time.
- Participants must stay in the room until the ice is ready; do not wait in the walkway.
- Dryland training will not be permitted prior to arena bookings.
- Spectators are not allowed to enter participant spaces (e.g., dressing rooms, ice surface, walkway around ice). All spectators must also practice physical distancing. To ensure 2 metre distancing is maintained, the regular number of seats available will be reduced and spectator capacities will be listed for each facility.
- The user group is responsible to ensure that sanctioned activities (training, practice, games) are permitted through their association and/or sport governing body.
- Please report any injury or accident immediately to the facility staff, including when emergency services have been contacted.
